THE NEW JERSEY SKI & SNOWBOARD COUNCIL

Purpose: The Council was formed in November 1939 to promote amateur skiing, assist in the development of new clubs, sponsor and run inter-club competition, and generally to promote club activities in skiing. It is incorporated as a “corporation not-for-profit” in New Jersey.

Membership: The New Jersey Ski & Snowboard Council does not discriminate on the basis of race, color, national, or ethnic origin in club membership or any sponsored activity. Club membership is available to any active, organized ski, snowboard, or any other snowsports club in the State of New Jersey and adjacent areas upon application and meeting certain requirements (By-Laws, membership list, and council meeting attendance). Contact any Council Officer for information.

Meetings: Each member club elects or appoints a representative to the Council, who has one vote at general meetings. Individual club members are also encouraged to attend Council meetings. Regular meetings of the Council are held the second Monday of each month, October through May, via Zoom.

On occasion, the Council may call an in-person meeting at a location to be determined by the Executive Board of the Council. When this arises, the Council will disseminate the date, time, location, and directions to the selected venue in advance of said meeting.

The secretary of the Council will provide the Zoom link to the club presidents, representatives, and alternate representatives of each club in advance of each meeting.

Due to special circumstances, meeting times and days may change. Always check your email, the New Jersey Ski & Snowboard Council website (www.njssc.com), or Facebook page (www.facebook.com/njskicouncil/) for more information and last minute changes.

Welcome to the Winter Season of 2024-25

Greetings skiers, boarders, and other winter sports enthusiasts!

Our Guidebook will acquaint you with the Council's many member ski clubs located throughout the New Jersey-New York area. Whether you are a skier, a boarder, or other sports enthusiast, our clubs will welcome you to join in the fun and camaraderie that ski club membership offers. You are sure to find a club in your area, whether you are a beginner or expert, single, married, or with a family. Our clubs function autonomously, and many own or rent lodges near the major Eastern ski areas. As we have done for over 80 years, the Council and its clubs will continue supporting members with discounts, racing opportunities, safety information, and group trips to major resorts.

The Council has historically supported organizations that provide opportunities for athletes with disabilities, including Vermont Adaptive Ski & Sports, the Adaptive Sports Foundation at Windham, NY, and SKI4ALL. We also support the efforts of the National Winter Activities Center, operating at the former Hidden Valley resort. These organizations are dedicated to providing disadvantaged youth and kids undergoing difficult times in their lives access to winter sports activities that combine exhilarating fun and positive health benefits. Many of our club members derive much satisfaction as volunteers.

I wish all a safe and enjoyable winter season and want to thank the mountain resorts, retailers, and tour operators we partner with for their generous support. The Council will strive to maintain the strong relationships that have developed over more than 80 years.

I invite any organized winter sports club to contact me or any member of the Executive Board if interested in joining the New Jersey Ski & Snowboard Council.

Most importantly, I want to recognize and thank the past and current volunteers who have served or currently serve on the Council's Executive Board and Committees, along with the dedicated volunteers presiding over our member clubs.

Ski/ride safely and join a ski/snowboard club!

SKIER'S RESPONSIBILITY CODE

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Always stay in control. You must be able to stop or avoid people or objects.
2. People ahead or downhill of you have the right-of-way. You must avoid them.
3. Stop only where you are visible from above and do not restrict traffic.
4. Look uphill and avoid others before starting downhill or entering a trail.
5. You must prevent runaway equipment.
6. Read and obey all signs, warnings, and hazard markings.
7. Keep off closed trails and out of closed areas.
8. You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
9. Do not use lifts or terrain when impaired by alcohol or drugs.
10. If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

**Know and Obey the Code.
It's Your Responsibility.**
