THE NEW JERSEY SKI & SNOWBOARD COUNCIL

Purpose: The Council was formed in November 1939 to promote amateur skiing, assist in the development of new clubs, sponsor and run inter-club competition, and generally to promote club activity in skiing. It is incorporated as a “corporation not for profit” in New Jersey.

Membership: The New Jersey Ski & Snowboard Council does not discriminate on the basis of race, color, national, or ethnic origin in club membership or any sponsored activity. Club membership is available to any active organized ski club in the State of New Jersey and adjacent areas upon application and meeting certain requirements (By-Laws, membership list, and council meeting attendance). Contact any Council Officer for information.

Meetings: Each member club elects or appoints a representative to the Council, who has one vote at general meetings. Individual club members are also encouraged to attend Council meetings. Regular meetings of the Council are held the second Monday of each month, September through May, at the American Legion Hall, Clark, New Jersey, at 7:00 pm.

Directions: From Garden State Parkway (GSP) North, take exit 135, and bear right off exit to Brant Ave. From GSP South, take exit 135 and stay left (follow signs to Rahway). Continue around circle under the GSP and take first right to Brant Ave. Take Brant Ave to end and make a left at the light onto Westfield Ave. Continue on Westfield Ave. for 1/4 mile to the American Legion Hall on your left (large heli-copter on site). Address: 78 Westfield Ave., Clark, NJ.

Due to special circumstances, meeting times and days may change. Always call the New Jersey Ski & Snowboard Council Hotline at 877-411-NJSSC (6572) before traveling to meetings and for other information.

Welcome to the Winter Season of 2015-2016

Greetings skiers & boarders! Welcome to the 2015-16 season of the New Jersey Ski & Snowboard Council's annual Guidebook. Last year, the Old Farmer's Almanac predicted a cold winter across the USA with above normal snowfall. For us East Coast skiers & riders, there was little doubt to dispute their accuracy. The good news is that once again the Almanac is forecasting a cold winter with abundant snow. So, now is the time to start planning visits to your favorite ski resorts!

I encourage you to acquaint yourself with the Council's many member ski clubs located throughout the New Jersey – New York metropolitan area. Whether you are a skier, a boarder or other sports enthusiast, our clubs will welcome you to join in the fun and camaraderie that ski club membership offers. You are sure to find a club in your area whether you are a beginner or expert, single, married, or with a family. Many own or rent lodges near the major Eastern ski areas providing lodging at a fraction of the cost of staying at a commercial property or owning your own vacation home.

The Council is in its 77th year providing member clubs with safety information, substantial lift ticket discounts, an early season tune-up day, yearly trips to major domestic and overseas ski destinations, an opportunity to purchase discounted trip insurance, and a chance to participate in an organized race program. As a member of the National Ski Federation, we are also able to offer many additional benefits. I want to extend an invitation to any organized winter sports club to contact me or any member of the Executive Board if interested in joining the New Jersey Ski & Snowboard Council.

The Council has historically supported organizations that provide opportunities for athletes with disabilities, including Vermont Adaptive Ski & Sports and the Adaptive Sports Foundation. We have been an exceptionally proud gold sponsor of Staci Mannella, a partially sighted ski racer from Randolph, NJ. Staci, along with her guide Kim Seevers, successfully competed in the 2014 Paralympic Winter Games in Sochi Russia, representing the USA in the Visually Impaired Women's Slalom and Giant Slalom races. Last year, Staci took a one year hiatus from skiing to acclimate to college life at Dartmouth. Not surprisingly, she and Smidge, her guide dog, had an excellent year. In addition to pursuing her education, I'm happy to report she will resume training this winter for the 2018 Paralympics' Winter Games. The Council will continue to follow and support her efforts.

I wish all a successful season and want to thank the mountain resorts, retailers and tour operators we partner with and for the generous support that made this publication possible. The Council will strive to maintain the strong relationships that have developed over the years. I also want to recognize and thank the volunteers who serve on the Council's Executive Board and Committees, along with the dedicated volunteers who preside over our member clubs.

Ski/ride safely and have fun!

Susan

NOBODY HANDLES WINTER BETTER.

At Ski Barn, our family of sales people, fashion experts, boot fitters and shop technicians know winter, and know it well. We have a passion for snow sports and have all experienced the challenges of being on the slopes in winter.

We know there are certain factors that make for a safe, enjoyable experience...the right gear, the proper outerwear, must all fit and function perfectly in a variety of climates.

Because our individual needs are important to us, we know yours are just as important to you. That's why, as the area's premier ski and snowboard shop, we strive to gain customer trust by being experts in our field and make it our responsibility to relate our 40 years of experience to your individual needs...each and every time you visit Ski Barn. Come see us soon, take advantage of the tune up offer, and continue to get the service and attention you deserve.

Council day tickets can be purchased at any resort ticket window. Club members must present a valid 2015-16 winter membership card. Tickets are valid for all ages and include tax. If a ski club would like to bring a bus on a council day, a group reservation is needed at least 48 hours in advance. We will provide one complimentary lift ticket per 20 paid at the council day ticket rates.

SKIER'S RESPONSIBILITY CODE

There are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.

**Officially endorsed by: National Ski Areas Association
THIS IS A PARTIAL LIST. BE SAFETY CONSCIOUS!**

NATIONAL SKI PATROL

Are you interested in joining the National Ski Patrol's New Jersey Region? We are an organization of highly motivated volunteers from all walks of life who provide Outdoor Emergency Care for the injured skier, snowboarder, and mountain biker. We are committed to the safety of these activities.

If you are at least 15 years old (Student Patroller) and are interested in helping others to ski, snowboard or bike, think about joining the Ski Patrol.

We are involved in both Alpine and Nordic Patrols, as well as Bike Patrols in the summer and fall.

We are committed to serving the public by facilitating an enjoyable experience and participation in year-round recreation.

We will teach you first aid, toboggan handling, and will sharpen your skiing and snowboarding skills. For more information, please refer to our website at www.nspnj.org.

2015 NJ Ski & Snowboard Council Expo Supports Adaptive Sports

The New Jersey Ski & Snowboard Council Expo, a Council tradition, is held during the fall of each year. The Expo is a combination trade show, trip planning event, membership drive, and ski season kick-off party. It is a great opportunity for winter sports enthusiasts to meet with representatives of local and national ski areas and to learn what is new in the ski industry. The Council's clubs are also at the Expo to introduce themselves and to tout the advantages of club membership.

A key element of our Expo tradition is supporting ski-related charities. Monies raised through raffles and auctions are customarily donated to adaptive sports programs. In 2015, the Council contributed to the Adaptive Sports Foundation at Windham, New York; Vermont's Adaptive Ski & Sports (VASS).

These programs are committed to furthering the equality and independence of individuals with disabilities by providing access to sports and recreational opportunities. They believe that sports and recreation provide a physical, mental, and social experience that is immeasurable in promoting self-confidence and independence in an individual.

VASS offers year-round programs and activities throughout Vermont. In addition to skiing, their programs offer opportunities to participate in sports that include cycling, sailing, canoe/kayak outings, horseback riding, and indoor climbing. Their administrative offices are located at Pico Mountain, Killington, Vermont.

Windham's Adaptive Sports Foundation also provides four-season instruction and recreational activities for individuals with special needs. The Adaptive Sports Foundation is the largest adaptive sports program on the East Coast and one of the leading programs in the country. Their programs have served thousands who are cognitively or physically impaired since 1984. Their center is located at Windham Mountain, New York.

The Wounded Warriors Project partners with adaptive sports programs throughout the country to meet the needs of severely injured service men and women. Ski resorts hold numerous events each winter hosting the Wounded Warriors.

If you would like to volunteer, make a donation, or learn more about these programs, contact them at:

NWAC is dedicated to improving the lives, health and fitness of youth throughout the tri-state area, by providing access to winter sports activities.

What We Do

Our instructors / mentors use an "active learning environment" and Skills Quest as tools to enable participants to master skills based on continuous progressive instruction with participant enjoyment at the core. Athletes receive lessons, equipment, meals & mentoring while enjoying winter activity!

Competition at The Center

Our competition trail has been homologated for FIS Competition, designed to host a World Cup team event. With all new snow making, chair lifts, renovated lodge, New 3000 sq. ft Alpine Training Center, all new timing equipment, and state of the art grooming "The Center" is the race place to be!

All of the above racers/teams received plaques or trophies for their efforts. In addition, to make the races more fun and interesting, other prizes were awarded lottery style to anyone participating in the specific race. In other words, a person who finished last in the race had just as much a chance of winning a prize as the person who finished first. These prizes consisted of Amazon.com gift certificates.

WEDNESDAY NIGHT RACE LEAGUE: Tuxedo Ridge is not operating this season. As of the preparation of this guide, we are in discussions with Mt. Creek and Winter 4 Kids (formerly Hidden Valley). Stay tuned.

CONSOLATION RACE: Not yet scheduled. We may have the race at Mt. Creek, Winter 4 Kids, or Campgaw - giant slalom.

Contact Stu Bassell at sbassell@verizon.net for more information.

This year, we again expect to award gift certificate prizes lottery style to all participants as we did last year. The program is open to all individuals who are a member in good standing of a club in the NJSC. All categories of racers (beginner to expert) are welcome to come out and improve their skiing ability and have fun at the same time.

THE 2015 NJ SKI & SNOWBOARD COUNCIL STANLEY SHARAGA MEMORIAL PRESIDENT'S RACE

The 2015 NJSSC Stanley Sharaga Memorial President's Race was held on March 21, 2015, at Hunter Mt. Ski Bowl and was again a great success, with eight clubs represented. The race had a total of 86 racers running the race. The race was run on the Madison Avenue Racing Trail. The Hunter Racing Foundation once again provided a great course. This year the scoring was done the same as last year. The racer's best handicap was used to get a score. Results for men and women were ranked from lowest to highest handicap and divided into three equal groups. Points were awarded within each group, starting at 30 on down. Team score was based on the top four men's point and top three women's point scores. In this way, clubs with the not as good racers had an equal shot at winning the race, and the more racers a club had the better chance to win.

Top team awards were: 1st – Trailsweepers, 2nd – Ramapo, and 3rd – High Life. The individual scoring was again divided into thirds with awards for Class A, B, and C racers. The women's Class A winner was Carol Tomassetti from Trailsweepers with 2nd place going to Barb Brambaugh from High Life, and third place won by Jen Dekoskie of Trailsweepers. The men's Class A winner was Yuri Kobziar from Trailsweepers, followed by Jim Tomassetti from Trailsweepers and Rusty Rowlands, both from Ramapo. The Class B men's and women's winners were Peter Strutysky from Trailsweepers and Isabella Micheels from Ramapo. Joe Williams and Sylvia Murphy, both from Trailsweepers, took 2nd place, with 3rd place going to Liz Holste and Cliff Gawel, both from High Life. Rich Phillips from Ski Bums and Margaret O'Brien from Garden State were the Class C winners. Second place went to Carol Marsh from Ramapo and Art Gillan from Garden State, with third place going to Eilleen Mosolino from Garden State and Greg Schneider of Ramapo.

For the junior racers, Katie Viglielmo from Trailseepers finished first for the 13-18 year old girls, and Sean Diederich from Ramapo finished first for the 13-18 year old boys, with Owen Rowlands of Ramapo finishing second. Paul Gillan of Garden State was first for the boys under 12, followed by Nick Schneider of Ramapo.

Many thanks to all the people who helped organize and run this race. The purpose of the Stanley Sharaga Memorial President's Race is to bring members of the NJSSC together in a friendly and competitive environment. The race is open to skiers of all ages and abilities, including children. Trophies and prizes are awarded at the end of the day. In addition to individual and team awards, there is a lottery style drawing for prizes, which is open to any racer who has completed at least two gates. Prizes are provided by ski areas, retailers, and manufacturers.

Next year's race will again be hosted by the NJSSC Race Committee and is scheduled for March 19, 2016 at Hunter Mountain.
